**SBRSD District Policy EEA-R**

**Pick-up of Young Children**

To ensure the safety of all the students through grade four who ride in buses, children must be met at the bus stop by parents or other approved adults. An approved adult shall be a person designated by the custodial parent. If a parent or approved adult is not at the bus stop, the child will be returned to one of the elementary schools with staff who remain late and the parent will be required to pick the child up there. If this is an ongoing problem with a particular family, the child may have their transportation privilege suspended or revoked after a warning has been submitted to the parents. Exceptions to this parent-at-bus-stop rule may be requested by custodial parents, in writing, to the district and will be considered on an individual basis by the administration in consultation with the Bus Companies. Adopted: August 28, 2014
