The minutes of the May 4 meeting were unanimously approved

Amy Carpenter, SBCCP director gave an overview of the program. They are requesting the use of an additional classroom space for the child care program. They are requesting the use of classroom A16
The SBCCP program is expanding to meet the needs of the community. Currently there are 13 to 19 students in the program.
The program is licensed for 22 children.
Some of the programs run through the summer.
Classroom A16 will be used by SBCCP
A motion was made to accept the child care expansion
The motion was seconded and approved unanimously
The committee stated that the expansion needs to be approved by the whole school committee

Discussion regarding the signs at the entrance to the school drive ways.
The committee agreed there should be a future discussion about these signs.

New Business

There has been a complaint that our playgrounds are not handicap accessible
The committee felt that this can be rectified
At the New Marlborough play ground the gate may not be wide enough
At Under Mountain students need to be able to walk up the hill to the play ground
Should the district do a self evaluation or hire a consultant?
Money will have to be spent to make improvements.
The committee felt it is important to be up to standard
The committee will discuss a date for the next meeting at the next regular school committee meeting on the 25th of May.
