This year, as in the past, we continue to work to keep our website up to date by publishing student pictures to portray special events and the general atmosphere of our schools. We also continue to make a concerted effort to publicize the many good things that our students do, and in that effort, we often provide pictures to the local newspapers, along with write-ups.

We are asking that you complete the Photo and Website Permission form on the reverse of this letter and return it to your child's school as soon as possible.

Best wishes for a great school year.

Sincerely,

Beth Regulbuto  
Superintendent of Schools
