

Galápagos Islands Adventure!

April 2020

- Join us as we experience one of the most significant ecological and scientifically historical sites in the world!
- Follow in the footsteps of Charles Darwin!
- Explore the ecology and evolutionary patterns of the islands as well as mountainous Ecuador!
- Go snorkeling on gorgeous lava rock reefs with sea lions, penguins, & brightly colored fish!
- Hike 13,000 feet to a volcano!
- Observe giant Galapagos tortoises, blue footed boobies, marine iguanas, frigate birds, penguins, finches, sea lions, and other native species
- Visit the Equator museum!
- Visit and learn about the Twin Craters!
- Immerse yourself in the local culture of Quito, Ecuador's capital (the highest official capital city in the world)
